## Report of Librarian and Trustees

From the 2,717 volumes in the Library and the 2,000 volumes from the Bookmobile, there were 4,023 books and magazines loaned by the library during 1961.

For 1960, the 4,458 circulation gave our library the third highest per capita circulation, 27.5 books for each of the 162 population, of all the libraries in New Hampshire where the average was 5.8 books per capita. This shows we make good use of our library.

The library is open on Wednesdays from 2.30 to 4:30 in the afternoon, changed from 3:00 to 5:00 to make it more convenient for the school children to use the library, and 7:00 to 9:00 in the evening.

Gifts during the year included 71 children's books from Mr. and Mrs. Ted Yusko and ten dollars from an anonymous donor. The installation of flagstones improved the walk across the lawn. Use the library every week, its yours.

#### AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness—our carelessness. This, we—you—and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you-

- 1. Follow the warden's directions.
- 2. Secure the required burning permit.
- 3. Keep your fires under control.
- 4. Completely extinguish your fires before leaving them.
- 5. See that your children are properly cautioned. Everyone will benefit by it.

#### SUPERINTENDENT'S REPORT

To the School Board and Citizens of Washington:

It is a pleasure to submit my eighth annual report for your consideration.

Enrollment at the Central School as of October 1, 1961 was as follows:

Grade	I - 3	Grade	V - 3
Grade	II - 5	Grade	VI 3
Grade	III - 1	Grade	VII - 2
Grade	IV - 5	Grade	VIII - 3

Total - 25

Mrs. Joyce Goodwin continues the teaching duties in grades 1-4 and Mrs. Edith Mulliner of Antrim is teaching in the grade 5-8 area. Without doubt, the children are now obtaining much more adequate teaching under the present divided system than was possible under the single classroom situation.

For at least the fourth consecutive year, it has been necessary to substitute a teacher for a long period of time. And even though it has been possible to obtain excellent replacements during these periods of time, the youngsters have necessarily suffered from the lack of continuity of thinking and planning on the part of the teachers. It is hoped that during the 1962-63 school year we will be relieved of this problem.

Tuition pupils this year are:

Hillsboro-Derring:

oro Derring.		
John Ashley	Grade	9
Carroll Cilley	Grade	9
Susan Hadaway	Grade	9
John Dalphond	Grade	10
Harry Hadaway	Grade	10
Lura Monroe	Grade	10
Douglas Rolfe	Grade	10
Linda Smith	Grade	10
Cheryl Ashley	Grade	11
Richard Niven	Grade	11
Cynthia Blakney	Grade	12
Charlene Niven	Grade	12

Kathryn	Otterson	Grade	12
Michael	Otterson	Grade	12

#### Newport:

Beverly Barker	Grade	12
Raymond Barker	Grade	9
Philip Barker	Grade	10

The question has been raised relative to the possibility of offering reduced prices for the noon lunch meal for families with several children. This is a practice that is acceptable to the large programs but would present a grave problem to the smaller program. As you know we operate the smallest program in the state, and therefore make the largest district contribution per pupil in the state. We also charge 25 cents per meal as compared with 30 cents in most communities. We are, therefore, in effect already providing a reduced cost to all the pupils who participate. Only through the continued efforts and personal contributions of self has the program been able to survive, and to curtail its income further would eventually require its discontinuance.

I wish to express my appreciation to the School Board, teachers, pupils, and citizens for their cooperation during the school year.

Respectfully submitted,

NORMAN R. HARTFIEL

Superintendent of Schools
